Health Professions: Training

Written Answers

Sarah Wollaston Chair, Health Committee

To ask the Secretary of State for Health, whether legislative changes will be required to remove the NHS bursary for healthcare students by September 2017; and if he will make a statement.

Ben Gummer The Parliamentary Under-Secretary of State for Health

The proposed reforms to healthcare education funding for introduction on 1 August 2017 will not require amendments to the legislation under which the National Health Service bursary is provided.
