To ask the Secretary of State for Health, what the value was of NHS England payroll expenditure excluding VAT on (a) permanent nursing staff and (b) agency nursing staff in (i) 2014-15 and (ii) 2015-16.

Philip Dunne The Minister of State, Department of Health
The Department is able to provide payroll expenditure for all Qualified Nursing, Midwifery and Health Visiting Staff on employment contracts with the National Health Service. This information for 2014-15 and 2015-16 is tabled below. VAT costs do not apply to staff on NHS Employment contracts.

The requested information for 2016-17 is not yet available.
